Transfer to airport and fly to Paro. A spectacular descent through mountainous valleys brings you into the Kingdom of Bhutan. The beautiful airport is your first glimpse of what's ahead. After clearing customs and visa control you are met by your driver and guide. A short drive along the valley brings you to Thimphu, the capital of Bhutan. This very picturesque drive past rural homes, hillside monasteries, and Chhortens only take 1.5 hours. Settle into your hotel and after lunch at a local restaurant start your sightseeing, visiting the Textile Museum, a traditional paper making factory, and the Post office to see Bhutan's beautiful stamps which also depicts about our country's myths, traditions etc. Alternatively, you can do less formal sightseeing and walk around the town with your guide. Dinner and stay overnight at Hotel.

Day Day 02: : Thimphu – Taktsang - Paro

In the morning drive to Satsam Chorten and then hike to Takstang (Tiger's Nest) Monastery, the most photographed in Bhutan. The monastery has been rebuilt after a disastrous fire destroyed it some years ago. The monastery can only be viewed from afar as it is not open to the public. The view is, however, worth the steep 1 & half hour walk up a wide mountain path. Here it is being said that Guru Padmasambhava landed on the back of a tigress in the 8th century. After lunch walks back to the road point and visits Kyichu Lhakhang, one of the oldest temple in Bhutan. Overnight at Hotel

Day Day 03: : Paro – Departure (by Druk Air)

In the morning, Our Bhutanese agent will escort and bid you farewell at Paro Airport, Goodbye and happy journey back home.
